

A story born along the pristine coasts of **Sardinia**, where the rare beauty of **Corallium rubrum** is transformed through generations of devotion, craftsmanship, and deep respect for the **Mediterranean Sea**.

From a courageous journey between **Naples and Alghero** to three exclusive boutiques in the historic heart of the city, our legacy reflects over 50 years of family tradition, artisanal mastery, and timeless red coral elegance.

Collana di corallo a pallini:

Top quality coral necklace made of mm **10,5\11 round**
beads with clasp in 18kt white gold and diamonds.

The Gold karat is: 0.18Kt

Please note that the quality of the coral is based on the imperfections, the thickness and the nuances of colors of the branch. the less imperfections there are, the higher the quality is. the thicker the branch is, the higher the amount will be, because the grow a thicker coral branch, it takes longer
